

# THE FRIENDS OF RATTRAY COMMUNITY GARDEN

## Join Us

Rattray Community Garden is located in a former walled garden behind 2 Balmoral Road PH10 7AB in Rattray. It has been home to award-winning environmental group Blairgowrie and Rattray in Bloom for a number of years.

The site was purchased as a community asset for the town by Blairgowrie and Rattray Development Trust (BRDT) in 2020. The aim of the Community Garden project is to create a welcoming, relaxing place for people of all ages where individuals and local groups can meet, supporting health and wellbeing, reducing social isolation, developing gardening skills, and observing wildlife. The garden is a space where vegetables, fruit and cut flowers will be produced for distribution to the community and volunteers and for sale to support the running costs of the project.

Your contribution assists the work of the garden by supporting its set-up and running costs.
